## How is the Course Delivered & Assessed?

You will have access to a variety of theory and practical learning resources, including industry placement, which equips you with the necessary skills to secure employment. Course resources are readily available on the CTA website to ensure 24/7 access and portability to students. Throughout the duration of your studies you will be supported by qualified trainers and assessors in a variety of methods which depend on your chosen mode of study. These may include: Skype, email, phone, workplace visits, third party reports by workplace supervisor/s, written workbooks, videoed training presentation and or classroom tutorials.

## Recognition of Prior Learning (RPL)

Have you gained knowledge and skills through your work, life experience, training or education? You may be halfway to a qualification and not realise it. Even if you have never formally studied or trained in a particular area, you may be able to have your skills formally recognised.

Recognition of your current skills and knowledge can occur through credit transfer or recognition of prior learning.

## What Is Involved?

As part of the recognition of prior learning process your existing skills and knowledge will be assessed against a range of industry standards by a qualified assessor. You can demonstrate your competence in a variety of ways including performing tasks, sharing your stories about how you carry out tasks in the work place or providing work samples and providing evidence of the mandatory 80 hours industry experience.

## Credit Transfer (CT)

If you have completed past studies in areas related to the qualification you plan to enrol in you may be eligible for credit transfer. You will need to provide a Statement of Attainment matching the unit of competency you are seeking credit for.
