Course Description:  This qualification addresses work in both residential facilities and community settings under direct or regular supervision within clearly defined organisation guidelines and service plans. These workers:

- Carry out activities to maintain personal care and/or other activities of living for people in an aged care setting
- Carry out activities related to an individual plan of care
- Report directly to a supervisor and are not responsible for other workers

Occupational titles may include:

- Accommodation support worker
- Assistant in nursing
- Care assistant
- Care service employees
- Care worker
- Community care worker
- Community house worker
- Community support worker
- Disability service officer (in some jurisdictions)
- Field officer
- Home care assistant
- In-home respite worker
- Nursing assistant
- Personal care assistant
- Personal care giver
- Personal care worker
- Support worker

How does it work?  Distance/Blended  Students successfully complete all theory booklets, oral questions, workplace supervisor completes 3rd party feedback forms, may be followed by an on-site practical assessment or equivalent and or interview with trainer/assessor. All course resources are included in the course fees and support is provided by qualified and experienced trainers and assessors. Enrolment fee is non-refundable. Courses fees are non-refundable once students commence training. Refer to fee policy on enrolment form for further information.
